

*Corporate Social Responsibility (Course) 2020 Spring Semester

2020 /5/2

Instructor: Sairan Hayama

97 students attended my first online class meeting on April 27th and, after screening test, I would like to give my students list as follows (36 students).

Students in the list are required to register for this course formally and prepare for the next class as described in the syllabus. Also, as announced before the screening test, no more students will be added to the class due to fair screening policy.

Thank you for your understanding.
